FILING INSTRUCTIONS

Broadcast station licensees are required to afford equal opportunity to all qualified persons and to refrain from discriminating in employment and related benefits on the basis of race, color, national origin, and sex. See Section 73.2080 of the Commission's Rules. Pursuant to these requirements, a license renewal applicant who employs five or more full-time station employees must file a report of its activities to ensure equal employment opportunity for women and minority groups (that is, Blacks not of Hispanic origin, Asians or Pacific Islanders, American Indians or Alaskan Natives, and Hispanics). If minority group representation in the available labor force is less than five percent (in the aggregate), equal employment opportunity (EEO) program information for minority group members need not be filed. However, EEO program information must be filed for women since they comprise a significant percentage of virtually all area labor forces. If an applicant employs fewer than five full-time employees, no equal employment opportunity activity information need be filed.

A copy of this report must be kept in the station's public file. These actions are required to obtain license renewal. Failure to meet these requirements may result in license renewal being delayed or denied. These requirements are contained in Section 73.2080 of the FCC Rules (47 CFR 73.2080), and are authorized by the Communications Act of 1934, as amended.

- ☐ If your station employs fewer than five full-time employees, check the box at left, complete the certification below, return the form to the FCC, and place a copy in your station's public file. You do not have to complete the rest of the form.

If your station employs five or more full-time employees, you must complete all of this form and follow all instructions.

- ☐ If minority group representation in the available labor force is less than 5 percent (in the aggregate) and you choose not to file EEO program information for minority groups, check the box at left and complete the rest of this form with only the information for your program directed towards women.

The principal purpose for which the information will be used is to determine if the license renewal requested is consistent with the public interest. The staff, consisting variously of attorneys, accountants, engineers, and applications examiners, will use the information to determine whether the license renewal application should be granted, denied, dismissed or designated for hearing. If all the information requested is not provided, the application may be returned without action having been taken upon it or its processing may be delayed while a request is made to provide the missing information. Accordingly, every effort should be made to provide all necessary information. Your response is required to obtain the requested authority.

THE FOREGOING NOTICE IS REQUIRED BY THE PRIVACY ACT OF 1974, P.L. 93-579, DECEMBER 31, 1974, 5 U.S.C. 552a(e)(3) AND THE PAPERWORK REDUCTION ACT OF 1980, P.L. 96-511, DECEMBER 11, 1980, 44 U.S.C. 3507.

The purpose of this document is to remind broadcast station licensees of their equal employment opportunity responsibilities and to provide the licensee, the FCC and the public with information about whether the station is meeting these requirements.

GENERAL POLICY

A broadcast station must provide equal employment opportunity to all qualified individuals without regard to their race, color, religion, national origin or sex in all personnel actions including recruitment, evaluation, selection, promotion, compensation, training and termination.

A broadcast station must also encourage applications from qualified minorities and women for hiring and promotion to all types of jobs at the station.

I. RESPONSIBILITY FOR IMPLEMENTATION

A broadcast station must assign a particular official overall responsibility for equal employment opportunity at the station. That official's name and title are:

NAME George T. Pike TITLE General Manager

It is also the responsibility of all persons at a broadcast station making employment decisions with respect to recruitment, evaluation, selection, promotion, compensation, training and termination of employees to ensure that no person is discriminated against in employment because of race, color, religion, national origin or sex.

II. POLICY DISSEMINATION

A broadcast station must make effective efforts to make management, staff, and prospective employees aware that it offers equal employment opportunity. The Commission considers the efforts listed below to be generally effective. Indicate each practice that your station follows. You also may list any other efforts that you have undertaken.

- ☒ Notices are posted informing applicants and employees that the station is an Equal Opportunity Employer and that they have the right to notify an appropriate local, State, or Federal agency if they believe they have been the victims of discrimination.
- ☒ Our station's employment application form contains a notice informing prospective employees that discrimination because of race, color, religion, national origin or sex is prohibited and that they may notify the appropriate local, State, or Federal agency if they believe they have been the victims of discrimination.
- ☐ We seek the cooperation of the unions represented at the station to help implement our EEO program and all union contracts contain a nondiscrimination clause.
- ☐ Other (specify)

III. RECRUITMENT

A broadcast station must make efforts to attract qualified minority and women applicants for all types of jobs at the station whenever vacancies occur.

Indicate each practice that your station follows and, where appropriate, list sources and numbers of referrals.

- ☐ When we place employment advertisements with media some of such advertisements are placed with media which have significant circulation or viewership, or are of particular interest to minorities and women in the recruitment area. Examples of media utilized during the past 12 months and the number of minority and/or women referrals are:

	Number of Referrals

<u>We have placed no "employment ads" during</u>	<u></u>	<u></u>
<u>the past twelve months</u>	<u></u>	<u></u>

- ☒ Recruit prospective employees from educational institutions, including area schools and colleges with minority and women enrollments. Educational institutions contacted for recruitment purposes during the past 12 months and the number of minority and/or women referrals are:

IV. JOB HIRES

A broadcast station must consider applicants for job openings on a nondiscriminatory basis. Further, to assure that qualified minorities and women are given due consideration for available positions, it must make efforts to encourage them to apply for job openings.

VI. AVAILABLE LABOR FORCE

A broadcast station must evaluate its employment profile and job turnover against the availability of minorities and women in the relevant labor market. The FCC will use labor force data for the MSA in which your station is located, or county data if the station is not located in an MSA, to evaluate your station's equal employment efforts. If you use these data in your evaluation, you need not submit them to the FCC.

This section is optional:

As an alternative to MSA or county labor force data, you may use other data that more accurately reflect the percentages of women and minorities in the labor force available to your station. If such alternative data are used, that data must be submitted on the table below and an explanation attached as to why they are more appropriate.

To make this policy effective, and to ensure conformance with the Rules and Regulations of the Federal Communications Commission and all other appropriate agencies, we have developed an Equal Employment Opportunity Program which includes the following elements:

II. Responsibility and Outreach:

The STATION MANAGER, _____, is responsible for the administration and implementation of our Equal Employment Opportunity Program. To assure that all members of the staff are aware of our policy and their individual responsibility in carrying out this policy the manager issues periodic reminders to department heads who have any responsibility for employment decisions, that this company shall make an on-going effort to recruit, hire and train, and then promote and assure equal compensation; without regard to an employee's race, color, religion, national origin, sex or age. The station manager shall periodically review any employment decisions by department heads to assure they adhere to our Equal Employment Opportunity Program.

III. Policy Dissemination:

To assure that all members of the staff are cognizant of our equal employment opportunity policy and their individual responsibilities in carrying out this policy, the following communication efforts will be made:

- a). The station's employment application form will contain a notice informing prospective employees that discrimination because of race, color, religion, national origin, sex or age is prohibited and that they may notify the appropriate local, state or federal agency if they believe they have been the victim of discrimination.

- c). Periodic reminders are given to department heads to remind them of this firm's moral and legal commitment to the recruitment and promotion of minorities and females.
- d). We seek the cooperation of our present employees in implementing our EEO program, making them aware of opportunities for promotion, and of our commitment to Equal Opportunity for all employees.

IV. Recruitment:

To ensure nondiscrimination in relation to minorities and women and to foster their full consideration in filling job vacancies, we will utilize the following recruitment procedure:

KWHK BROADCASTING CO., INC.

Equal Employment Opportunity Program

IV. Recruitment (continued):

- d). We will encourage present employees, particularly minority and female employees, to refer minority and female candidates for existing and future job openings.

V. Training:

- a). We shall have an on-the-job training program to upgrade the skills of present employees, which will include a complete explanation of what is expected in their job, their goals if appropriate; and to ensure that all employees have the same opportunity for on-the-job training regardless of their race, color, religion, national origin, sex or age.
- b). We shall attempt to provide assistance to students and schools if programs exist which are designed to enable minorities and women to compete in the broadcast employment market on an equitable basis, and we shall inquire of area schools as to different programs which may be available.
- c). Whenever we hire for any position, we shall attempt to ensure that minority and female applicants represent an equitable percentage of those persons considered for the position which is open.

VI. Summary:

It shall be the policy of this company to provide ALL employees with a positive environment, making sure to provide encouragement to minorities and women as it pertains to job improvement in pay and position within the company.

Furthermore, this firm shall work diligently to prevent situations among staff members due to race, color, religion, national origin, sex or age, by insisting that management conduct itself in such a manner that promotes harmony and goodwill among employees of all ages, races, colors, sexes, national origins and religions.
